Webinar: Making the future of work inclusive of persons with disabilities
When: July 1st, 2020, 11:00-12:00 CEST
Where: online (WebEx system)

Join the webinar to learn:

- How the main **trends** of the future of work impact persons with disabilities, in terms of risks and opportunities
- Key **objectives** that have been identified for the inclusion of persons with disabilities in the future of work
- How can **stakeholders** contribute to a more disability-inclusive future of work
- The impact of **COVID-19** on the inclusion of people with disabilities in the labour market
- Additionally, experts will share **good practices** on how to make the technological revolution inclusive of people with disabilities
